## CHICAGO INTERNATIONAL TRUCKS IS NOW A CONTINENTAL MIXER DEALER

**WHAT DOES THIS MEAN TO YOU? *The Perfect Mix***  
***One-stop purchasing, parts, service, warranty and support for chassis, body and engine.***

**CONTINENTAL MIXERS IS THE HIGHEST QUALITY SUPPLIER OF PARTS TO THE READY MIX INDUSTRY BAR NONE.**

**GEAR BOXES**  
These high torque, 4 planetary gearboxes with an all metal cage and double sealed construction are the muscle in our mixers.

**ROCKBLOCKER**  
Continental's Rockblocker is designed to make your life easier, safer, and save you money, by protecting your drivers and helping stop those costly windshield damage claims.

**MIXER KIT**  
Upgrade your fleet with quality Continental Mixer kits, an effective solution to reducing your fleet maintenance and repair costs.

**DRUM ROLLERS**  
Our drum rollers are larger, more durable and last longer than any others out there. More life, fewer trips to the shop.

**WATER TANKS**  
Crafted from steel or aluminum in side-mount, cross-mount or top-mount configurations for any brand of mixer. Options include admix compartment, quick-fill system and winter drain.

**CHUTES**  
Seam welded not spot welded and designed for superior strength so they resist deforming, rust and outlast the competition.
