The HOG Word Chasers Challenge is a friendly competition to promote HOG's mission to Ride and Have Fun. The objective is to visit cities or counties that begin with a letter from the word of the month. For example, if the word of the month is HOG, then an eligible entry could be documented by visits to Harristown, Oreana and Greene County. Each month there will be a new word to find and each member who completes the word will be eligible for the monthly drawing. At the end of the contest, all monthly entries will be entered into the final drawing. **There is no cost to participate and the winner of the final drawing will receive a \$100 CHD gift card.**

The Chapter may sponsor periodic group rides throughout the year which will include one or more Word Chaser stops along the way. For these group rides, the group leader will provide the camera and distribute photos to all participating members for use in the contest. Not all group rides involving a Word Chaser stop will be announced as such.

Word Chaser Challenge Rules:

1. Each location must be documented by a photo at the location with the word clearly identified in the photo. For single riders, a photo of the bike only is sufficient. For two-up riders, the photo should include the bike and rider/passenger. For group rides, multiple entrants may be shown in the photo, however, a separate photo must be submitted for each entrant.
2. Locations may be identified by any official sign or public building (e.g. town population or welcome signs, county signs, post office, fire station, county courthouse or other governmental buildings.)
3. Passengers are eligible to participate. Each passenger must submit a separate entry.
4. Photos may be submitted in the following formats only: photo print, photocopy (as long as it is clear), electronic files in jpg format via email or cd.
5. All photos must be taken during the contest period – no pre-existing photos may be used. Photos may not be used for more than one word of the month and the same city or county may not be used within the same month. For example, if the word of the month is “bagger”, two different cities and/or counties beginning with the letter “g” would be needed.
6. Each new word of the month will be announced at the Chapter Social and posted on the HOG board.
7. All decisions on contest rules and compliance with contest rules will be made by the Chapter Officers and are final.

Monthly drawings will be held at the Chapter Social. All entries must be submitted on or before the Social. Entries may be submitted directly to the Activities Director via hand delivery or email or may be deposited in the official entry box located in the HOG room at CHD. Each entry should be stapled or securely clipped together or enclosed in an envelope. We will endeavor to return all photos, however, please keep in mind that loss or damage may occur despite our best efforts to prevent it.
