

Harley-Davidson Debt Protection Plan

Anybody could find themselves out of work at any time. If you were to lose your job due to a layoff, general strike or lockout - or suddenly couldn't work due to an accident - you and your family could face a financially difficult time. The Harley-Davidson Debt Protection Plan has been created to protect you in several ways.

- Cancels your monthly loan payment for up to 6 months in the event of a qualifying job loss or disabling accident or sickness that keeps you out of work.
- Cancels your eligible loan balance up to \$50,000 should you die due to an accident.
- No extra bills to pay - the fee for this protection is conveniently added to you loan agreement.
- You can terminate the plan at any time. (subject to a service fee up to \$25)

The Harley-Davidson Debt Protection Plan is available only at the time you finance your motorcycle purchase through EagleMark Savings Bank. See Gowanda Harley-Davidson for complete details.
