

## **Twin County Motorsports Same Day Service Program**

Are you tired of taking your ride to the dealer for scheduled maintenance, a simple tire change, or the installation of accessories to make your unit stand apart from the others and being told it will take a week or more to complete?

Twin County Motorsports is proud to announce our same day service program on all Honda, Yamaha, Suzuki, Polaris and Arctic Cat ATVs, Motorcycles, and utility vehicles! It's very simple; just bring me what you ride by 11:00AM and without question you'll have it back before we leave for the day or the labor is on me! Listed below is a list of all inclusions and exclusions to our same day service program. If you have any questions after reading through the list feel free to give me a call at 252-977-2191 and I would be happy to assist you any way possible. Thank You for trusting Twin County Motorsports for all of your service needs; home of same day service program!

### **All Inclusions:**

- -All manufacturer scheduled maintenance
- -Tire changes (In stock tires only. Please call to ensure that we have the tire you need)
- -Accessory installs. (In stock and pre-ordered items only. If carried in, management has final say whether same day service qualifies.)
- -Chain and sprocket installations. (Pre-ordered or in stock items only.)
- -Full exhaust and slip on installations.

- -Many other services may also be offered. Talk to Brandon to see if your needs may qualify.

### *All exclusions:*

- -Chrome wheel installations.
- -Chrome swingarm installation.
- -Power commander installations (most cases this can be done the same day but cannot be guaranteed.)
- -No engine modifications. (Big bore kits, clutch installs, ect.)
- -Repair or diagnostic work. (no diagnostics, engine leaks, poor running conditions, transmission or belt failures, cv axle repairs on ATVø, differential repairs, ect.)
- -Any unforeseen failures during the completion process that is not in the technicians control. (Broken or seized bolts, stripped bolts, defective parts, additional not in stock parts, ect.)

\*same day service excludes all watercraft and boats. ANY outside items that customer may bring is subject to rejection of the same day service program. Management has the final say whether a unit qualifies for the same day service program. Other exclusions may apply. Please see dealer for details. Thank You for choosing Twin County for all your service needs!
