1. Seller's Assist is specifically designed to help one individual sell a motorcycle to another.
2. Seller's Assist is not available to finance motorcycles sold by other businesses or for items other than motorcycles.
3. The seller and the buyer cannot be the same person. If the seller and the buyer are the same person, the application will be declined because this constitutes a refinance.
4. To qualify, Seller's Assist transactions must be funded through Eaglemark Savings Banks (ESB).
5. Dealer manages transaction and is not listed on the title as unit owner.
