Happenings

Hello. I wanted to thank everyone once again for their business this year. We have a lot of exciting things going on which I wanted to share.

WIFI

WIFI is here! We recently installed a WIFI router and now you can hang out on your boat and surf the web! It is totally free and

all you have to do is bring your laptop! It was installed by Mike Estes @ ION networks if you have any questions about the network you can reach him at 318-7609.

Pursuit VIP Day

Pursuit held it's VIP day on August 23rd in Captiva Island, FL. It was a big success and we ended up selling a couple of boats! In addition, we were named a top ten dealer for Pursuit boats. Factory reps from Yamaha and Raymarine were

on hand to answer any questions. If you are interested in next's years VIP day let me know. It will be held around the same time and it will be in Fort Lauderdale. For the 2009 season, Pursuit will have a new 28' center console with a 24 degree deadrise and a OS 345 built upon the same platform as the new OS 375.

D-Dock

After a tough years of getting battered by two storms, the last remaining old floats will be replaced this winter. This will be the fourth float replaced in a five year period. Although it will be sad to see them go we will be able to sleep better at night when a storm blows in. The docks will be built with the same strength and longevity as A, C and E-dock.

YBY Fishing Tournament

YBY will be hosting the 17th annual Royal River Striper tournament to be held on September 13th and 14th. We will also be hosting a Captains Dinner on Friday 8/19. FMI go to: www.RoyalRiverStriper.com

Boat Sales

In a year of high gas prices and economic uncertainty we are continuing to sell many high quality boats. Pursuit, Mako and Eastern boats all offer the customer an efficient four stroke engine and high resale value down the road. For more information on our boats call me or Andy Lebel in sales.

We will always continue to upgrade the facilities and the services at Yarmouth Boat Yard. If you have any questions, comments or concerns please feel free to give me a call at any time to discuss.

Whatever your servicing needs, we can help. We use all

parts and accessories from the original manufacturer. For example, your Honda engine will ONLY get Honda oil. We do not mix or match oils, filters etc.... That will provide longevity to your engine and help if there is any warranty work.

We are an authorized service center for Yamaha, Honda, Suzuki and Evinrude engines. All of our technicians are factory trained and certified.
